*Starting this year, the high school Sunday school class will be incorporated into the group of adult classes. High schoolers will continue to meet in the Bates House, but will follow the same topics as Selwyn's adults. Similar resources will be used to develop curriculum, but this curriculum will be adapted to make it applicable for high school students. David Caldwell has joined the adult team of teachers and he and other members of that team will be teaching the high school youth throughout the year.
